1 Introduction

2016 California Building Code (CBC) Sections 1704.2 and 1704A.2 require the owner of the healthcare facilities to employ one or more approved agencies to provide special inspections and tests during construction. CBC Sections 1703.4 and 1703A.4 state that a testing agency/laboratory having accreditation to International Standards Organization (ISO) Accreditation Standard 17025 (ISO 17025) shall be considered as an approved testing agency. CBC Section 1704.2 and 1704A.2 state that inspection agency having accreditation to ISO 17020 shall be considered as an approved inspection agency. HCAI Preapproved Agency (OPAA) for structural tests and special inspections is a voluntary program established to streamline and simplify healthcare facility construction for owners, testing/inspection agencies, consultants, and contractors by providing a means for review and pre-approval of testing and special inspection agencies.

This document details the step-by-step instructions for creating and submitting an application for HCAI Preapproved Agency (OPAA) using eCA.

Prerequisites: You must have an active eCA user account to create and submit an application for Preapproval. After the application is submitted to HCAI, you will need an active eCA User Account that is properly associated to the project to interact with a submitted application. For additional information refer to [Section 4 – Account Management, Association and Delegation](#).

Anonymous users can search for OPAA application and download approved documents; however, anonymous users cannot create nor interact with applications.

For instruction on creating an eCA user account, refer to user guide [2. Account Registration](#).

For user access and general questions about eCA, contact eserv@hcai.ca.gov or (916) 440-8400.

For question specific to Preapproved Agency, contact OPAA@hcai.ca.gov.

IMPORTANT: The “Applicant” will receive all invoices for plan review fees. To designate a different user to receive invoices, contact OPAA@hcai.ca.gov to request a separate billing contact.

2 Logging into eClient Access

Step 1. Once your eCA user account has been activated by HCAI, go to <https://esp.hcai.ca.gov/citizenaccess>.

Step 2. Enter your username or email address and your password and click **Login**.

4 Creating a new Preapproval application

Step 1. Click the **Preapproval** tab to make sure you are in the correct module.

Step 2. Click **Create an Application**.

Step 3. Accept the HCAI Privacy Policy by checking the box and clicking **Continue Application**.

Step 4. If your eCA account is associated to OR delegate by a Licensed Professional(s), you will be provided with the option to create the application as yourself or as another person. This selection will be identified as the “Record Creator” and confirmation correspondence will be sent to that person via email. Select the appropriate values and click **Continue Application**.
If you are not associated or delegated, this page will not be displayed.

Step 6. See section 6 “Application Page Flow” to complete the application.

5 Application Page Flow

5.1 Page Flow Overview

The predefined steps to create and submit preapproval applications are detailed in this section. Though data entered for OSP versus OPM differs, the overall process is the same. The table below list the process steps.

Table 1: eCA Page Flow for Preapproval

No.	Page Title	Description
Application for Preapproval		
1	Agency Information	Enter Application Type, OPAA Agency, OPAA Facility, OPAA Engineering Manager, OPAA Alter. Eng. Mgr., etc. to complete this page.
2	Accreditation Information	Select the Current applicable Accreditation, Basis for Accreditation, Basis for Qualification, etc. to complete this page.
3	Test Standards	Add (rows) to include standards and test procedures.
4	Test Technicians	Enter all information that is required.
5	Special Inspections	Add (rows) and select all applicable Certification/Licensing agency, Types that apply.
6	Special Inspections Summary	Add (rows) and to include/view Summary of Agency's Special Inspections Services that apply.
7	Supporting Attachments	Attach all supporting documents necessary for the application.
8	Review	Final review opportunity of all the data entered on the application for accuracy; edits can still be made if necessary.
9	Pay Fees	Application fee is due at submission. You cannot complete the application submittal without paying the application fee.
10	Record Issuance	Preapproval application is submitted to HCAI and eCA issues a record ID number.

5.2 Basic Rules of Page Flow

Below are some basic rules of submitting an application using the eServices Portal:

- ✓ When creating an application, follow the page flow in order to avoid errors or missed data.
- ✓ You must click on **Continue Application** button to save the data entered on the page.
- ✓ If any required data is missing from the page, when the **Continue Application** button is clicked, an error message is displayed on the top of the page. You must correct any errors before continuing to the next page flow screen.
- ✓ You can navigate back and forth within the completed pages.
- ✓ If you must exit the application for any reason, click **Save and resume later** to save your application.
- ✓ When resuming a saved in-progress application, you will be given the option to start from the beginning or continue where the application was left off.

Remember: Help is available throughout the application. Wherever you see a help icon, click on the question mark  to open help and instructions for that item in the application.

6 OPAA Submittal in eCA

6.1 Create an Application

The follow steps cover a new submittal of an application for HCAI Preapproval of Agency (OPAA) as it will be performed by the customer in the eCA portal. It is assumed that the user has a registered eCA account and that account is enabled and active for use.

1. Once your eCA user account has been activated by HCAI, go to <https://esp.hcai.ca.gov/citizenaccess>.
2. Enter your username or email address and your password and click **Login**.

Remember: As noted previously, logging into eClient Access is not required to search for approved Preapproval applications.

3. Once logged in, click on the Preapproval tab as shown in the screenshot below:

4. On the Preapprovals page, click on the ‘Create an Application’ link to submit a new OPAA application:

5. A disclaimer page is displayed. Check the “I have read and accepted the above terms” (A) box and click on the Continue Application button (B):

A screenshot of the 'Online Application' page. At the top is a navigation bar with 'Home', 'Projects', 'Enforcement', and 'Preapproval' (highlighted with a dark blue background). Below the navigation bar is a light blue section with 'Create an Application' and 'Search Applications' links. The main content area is titled 'Online Application' and contains a welcome message, a request to 'Allow Pop-ups from This Site', and a scrollable 'OSHDP Privacy Policy' box. Below the privacy policy is a checkbox labeled 'I have read and accepted the above terms.' with a red 'A' next to it. At the bottom is a blue button labeled 'Continue Application »' with a red arrow pointing to it and a red 'B' next to it.

6. Select the HCAI Preapproved Agency (OPAA) option and click Continue Application button as shown in the screenshot below; this will display the Agency information page:

 - a. Thank you for submitting your application email is sent to Record Creator (note that this email is visible on the Communication tab in AA).
3. An email is sent to OPAA@HCAI.ca.gov informing PT’s that an application was submitted.
4. The record has now been officially submitted and is saved to the database, where it is accessible by Internal HCAI staff via the AA V360 Interface.

The screenshot shows the 'Preapproval' section of a web application. At the top, there are navigation tabs: 'Home', 'Projects', 'Enforcement', and 'Preapproval' (which is active). Below the tabs are two buttons: 'Create an Application' and 'Search Applications'. The main heading is 'OSHPD Preapproved Agency (OPAA)'. Below this is a progress bar with seven steps: 1, 2, 3, 4, 5, 6 Review, and 7 Record Issuance. A red arrow points to the '7 Record Issuance' button. Below the progress bar is a green success message: 'Your application has been successfully submitted. Please print your record and retain a copy for your records.' Below this is a thank you message: 'Thank you for using our online services. Your Record Number is OPAA-0052-TEMP00.' A red arrow points to the record number. Below the record number is a button labeled 'Copy Record'. At the bottom, there is a message: 'Your application is now being routed to OSHPD staff to begin review. Choose "View Record Details" to check your application status.' Below this is a button labeled 'View Record Details »' with the text '(Click to view details.)' in parentheses.

- a. To confirm that an OPAA application has been submitted, click on the SEARCH APPLICATION option at the top of the page:

The record that was submitted will appear in the Records list with a status of **APPLICATION RECEIVED**.

7 OPAA Renewal in eCA

The following steps cover the update or renewal of a preapproval record (OPAA) that has already been approved and is active. It is assumed that the user has a registered eCA account and that account is enabled and active for use. Also, the user must be a contact on the record which they are trying to renew. If the user is attempting to renew a record that they did not originally submit in eCA (e.g., converted records or records added in AA), then the contact associated to the user account will need to be added to the record. If this is not done, the user will not see the Update/Renew hyperlink in the Action column of the record list in eCA.

NOTE: If you do not see the OPAA record in your Preapproval screen, or if you do not have the "Update/Renewal" option, please email OPAA@hcai.ca.gov and request your eSP account be associated with the OPAA that you wish to renew/update.

1. User is logged into eCA.
2. Click on the Preapproval tab header:

3. Find the record that you would like to update or renew.
*Note that the record must have a status of Active to see the hyperlink.
4. Click on the **Update/Renewal Requested** link by the desired record.

8 OPAA Personnel Update in eCA

This section covers the online submittal of an application to update Testing or Special Inspection personnel on an OPAA record that has already been approved and is active. It is assumed that the user has a registered eCA account and that account is enabled and active for use. Also, the user must be a contact on the record which they are trying to update/renew. If the user is attempting to update a record that they did not originally submit in eCA (e.g., converted records or records added in AA), then the contact associated to the user account will need to be added to the record. If this is not done, the user will not see the Update/Renew hyperlink in the Action column of the record list in eCA.

NOTE: If you do not see the OPAA record in your Preapproval screen, or if you do not have the "Update/Renewal" option, please email OPAA@hcai.ca.gov and request your eSP account be associated with the OPAA that you wish to renew/update.

1. User is logged into eCA.
2. Click on the Preapproval tab header:

Find the record that you would like to update or renew. NOTE: The record must have a status of Active to see the hyperlink.

3. Click on the Update/Renew link that appears next to the desired record.
 - i. The User is directed to the Select an [Update/Renewal Type](#).

The screenshot shows the 'Preapproval' section of the eCA system. It includes a header with 'Home', 'Projects', 'Enforcement', and 'Preapproval'. Below the header is a section titled 'Records' with a sub-header 'To pay invoices, click the Pay Fees link, or click [Shopping Cart Payment Portal](#). You must be logged in to eCA to access the payment portal. See eCA Online Payment Instructions for more information.

Below the header is a table with the following columns: Record Number, Record Type, Product, Product Sub-Category, Product Model(s), Status, and Action. The table contains two records:

Record Number	Record Type	Product	Product Sub-Category	Product Model(s)	Status	Action
OPAA-0013	OSHPD Preapproved Agency (OPAA)		Special Inspection Agency ONLY	Agency Local Name: null	Active	Update/Renew
OPAA-0012	OSHPD Preapproved Agency (OPAA)	Atlas Technical Consultants, LLC	Combined Testing AND Special Inspection Agency	Agency Local Name: Atlas Technical Consultants, LLC	Active	Update/Renew

The screenshot shows the 'Preapproval' section of a web application. At the top, there are navigation tabs: Home, Projects, Enforcement, and Preapproval (which is active). Below the tabs is a search bar with 'Create an Application' and 'Search Applications' buttons. A progress bar shows five steps: 1 Update Personnel List, 2 Supporting Attachments (highlighted with a red box), 3 Review, 4 Pay Fees, and 5 Record Issuance. Below the progress bar, the heading is 'Step 2: Supporting Attachments > Supporting Attachments'. A note states '* indicates a required field.' The main section is titled 'Attachment' and contains instructions: 'Add all attachments supporting the Testing Technicians and/or Special Inspectors listed in the previous pages.' and 'The maximum file size allowed is 300 MB. ade;adp;bat;chm;cmd;com;cpl;exe;hta;htm;html;ins;isp;jar;js;jse;lib;lnk;mde;mht;mhtml;msc;msp;mst;php;pif;reg;scr;sct;shb;shs;sys;vb;vbe;vbs;vxd;wsc;wsf;wsh are disallowed file types to upload.' Below this is a table with columns: Name, Type, Size, Latest Update, Description, and Action. The table is empty with the text 'No records found.' Below the table, there are three buttons: 'Add' (highlighted with a red arrow), 'Continue Application >', and 'Save and resume later'.

4. The User can add any of the **Document Types** specified for OPAA in the **Document Group** section of the solution design document.
5. If selecting **Document Type** of "Other", **Comment** is required.

This screenshot shows the same 'Supporting Attachments' tab as the previous one, but with the 'Type' dropdown menu open. The dropdown menu lists several options: 'Copy of Test Technician/Individual Special Inspector's License/Certification showing expiration date(s)', 'Other', and 'Response Letter (Applicant)'. The 'Other' option is selected. Below the dropdown menu, there are three buttons: 'Save', 'Add', and 'Remove All'. At the bottom, there are two more buttons: 'Continue Application >' and 'Save and resume later'.
