

Primary Care Psychiatry Fellowship

NOW ACCEPTING APPLICATIONS FOR 2022

The TNT PCP Fellowship is a year-long clinical education program for primary care-oriented trainees and providers who wish to receive advanced training in primary care psychiatry.

Who Benefits?

The program is designed for primary care providers working in Internal medicine, Family medicine, Emergency medicine, Pediatrics, or Neurology. Past fellows have included MD, DOs, PAs, and NPs.

Curriculum

The curriculum includes over 50 hours of training and will lead to a certificate of completion from the UC Irvine School of Medicine:

- Two-weekend intensive trainings (24-28 hours*); pending any California COVID-19 restrictions
- Live webinars on the second Monday at 12:00 and third Monday at 5:15 PM (PST) via Zoom (21 hours*)
- One hour per month of mentoring sessions with a TNT faculty member (11 hours)
- Specialized Child and Adolescence Psychiatry Track - New for 2022
- Complimentary lifelong learning for alumni

*These activities are approved for *AMA PRA Category 1 Credit™*.

Goals of TNT PCP Fellowship

Trainees will learn:

- How to complete an evidence-based & efficient psychiatric interview in the busy primary care/medical setting
- How to effectively diagnose and treat commonly encountered psychiatric conditions such as mood, anxiety, psychotic, and substance misuse disorders
- How to teach these principles to their primary care colleagues

**This is not a traditional or Accreditation Council for Graduate Medical Education (ACGME) approved fellowship*

2022 Tuition

- \$15,500 per fellow or California applicants may be eligible for a full scholarship.

HCAI Scholarship

Deadline to apply for a scholarship is November 15, 2021, at 11:45 PM PST.

Your application must be submitted online to the TNT program by November 10, 2021, for review.

Upon acceptance to the TNT Program, a scholarship application will be sent with instructions for completion and submission for consideration by the Department of Health Care Access and Information (HCAI) formerly known as the Office of Statewide Health Planning and Development (OSHPD). Deadlines are subject to change as funding is limited.

You must meet the minimum requirements to be considered:

- Be currently employed or have accepted employment as a primary care provider (MD, DO, NP, PA) in the following specialties: family medicine, internal medicine, OB/GYN, or pediatrics.
- Work at a qualifying practice site in a Federally Qualified Health Center/lookalike, Health Professional Shortage Area – Primary Care (HPSA-PC) or Primary Care Shortage Area (PCSA) in California.
- Work at a practice site with at least 50 percent of patients from a medically underserved population (uninsured, Medi-Cal, or beneficiaries of another publicly funded program that serves patients who earn less than 250 percent of the federal poverty level).
- Currently serve or plan on serving children and youth 25 years of age or younger.
